

# Let's Thank Our Teachers!

This time of year is a great time to tell people how much they mean to us, especially our family and our friends.

**Today, let's thank our teachers** (or principal, bus driver, secretary... anyone at school!).

**Choose how you want to thank your teacher:**

Write a thank you note

Bring your teacher a treat

Draw a picture for your teacher

*Did your teacher like what you did for them?  
How did it feel to thank your teacher?*

*Don't have a Teacher?*

## Thank a boss, coworker, pastor, etc.!

**Today, let's thank someone unexpected...** a boss, coworker, pastor, first responder, your kids' teacher, or anyone else who makes a difference in your life.

**Choose how you want to thank your person:**

Write a thank you note or send a text

Or tell them in person!

Bring them a gift
