

Let's Spread Some Christmas Cheer!

One of the ways we can make this a Christmas to remember is by giving!

On the next pages are a couple of Christmas cards that you can print* and cut out... or, make your own!

Write a note inside the Christmas cards for someone who could use some Christmas cheer.

After you decorate the card and write your note, make plans to **mail the card** or to **deliver it yourself**.

* print double-sided, flip on short edge

**MERRY
CHRISTMAS!**

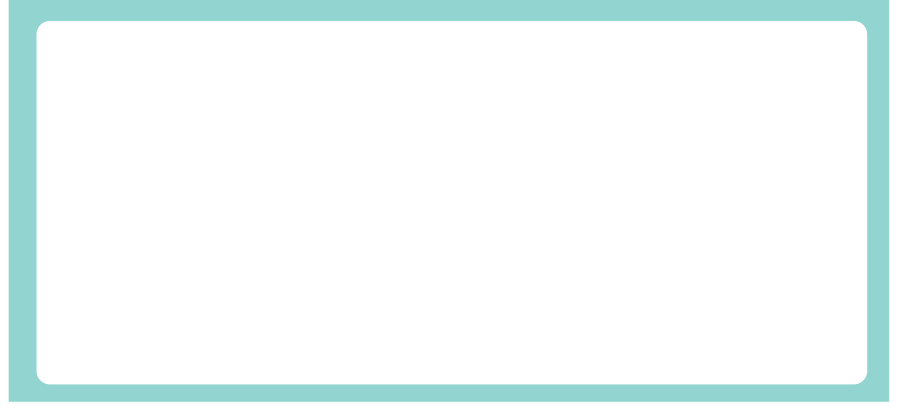

**Sending you
special
Christmas
love!**
